

This Master Bathroom Remodel And Home Update Was Completed For The Client December 2009.

Small & Outdated Original Bathroom

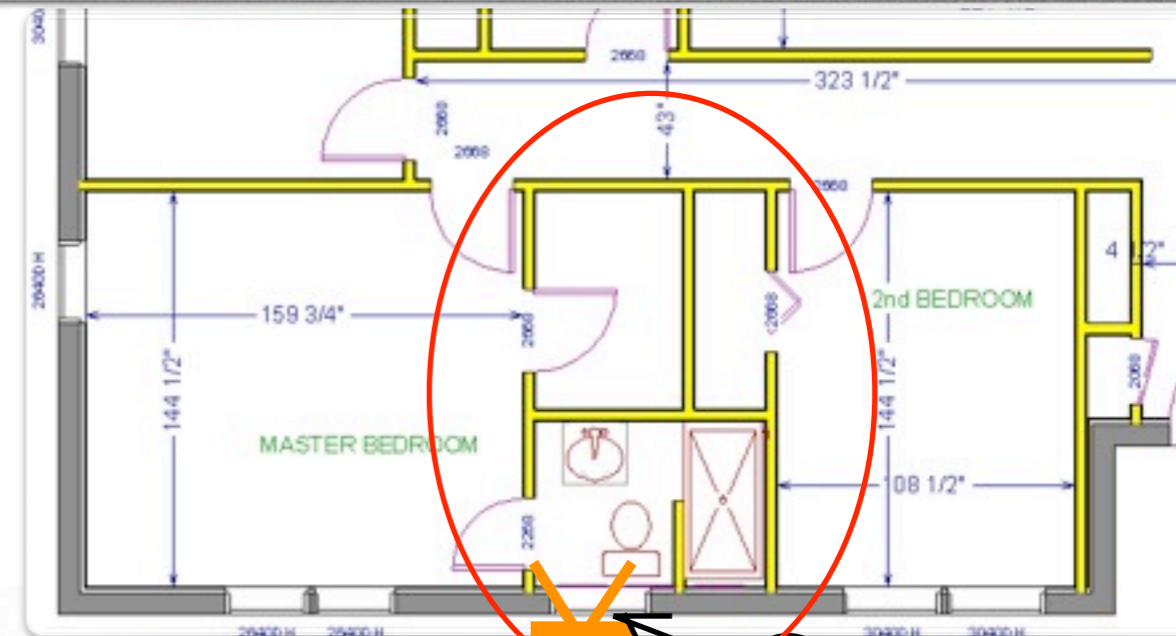

New Bathroom Created an Elegant and Modern Space

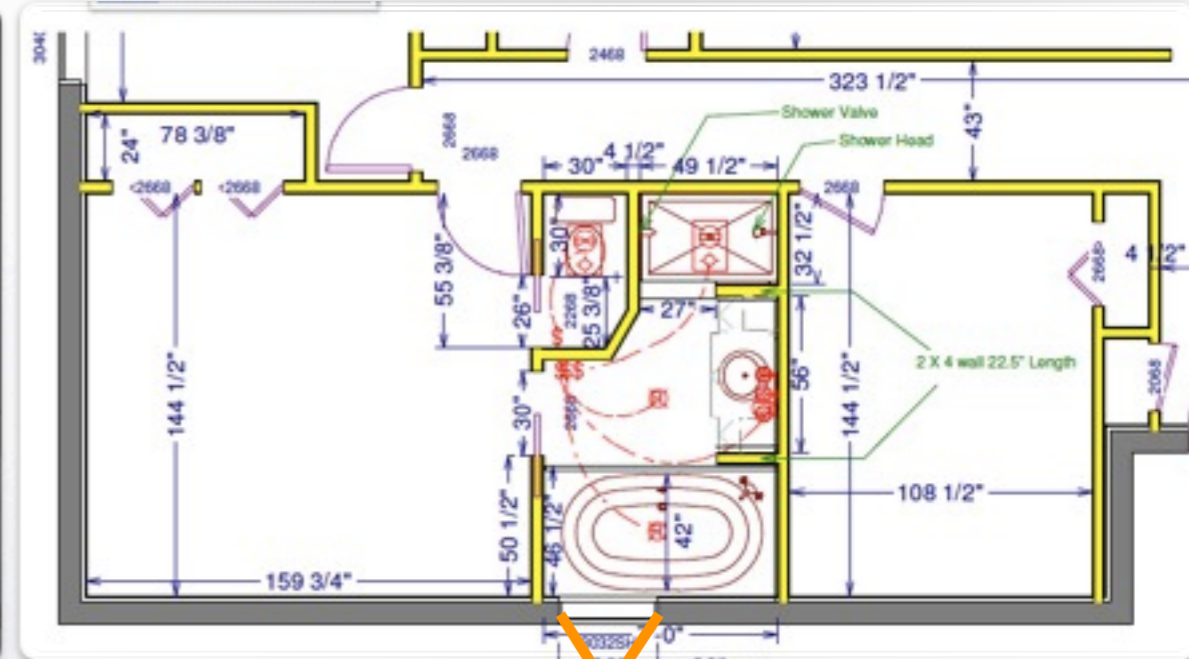

Original Bathroom Plan

Camera

Completed Project Layout

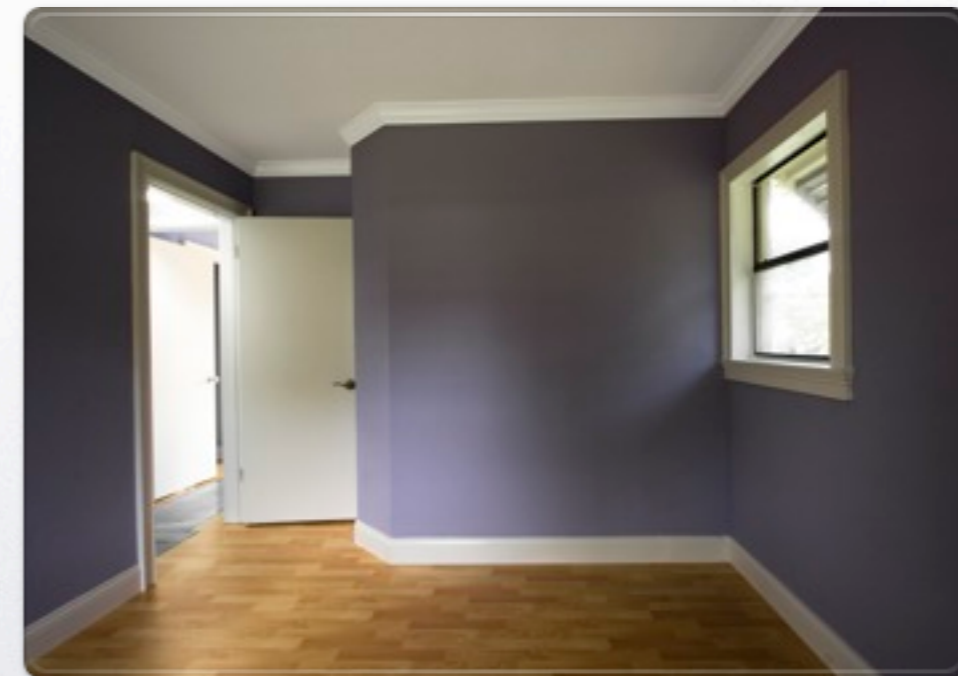

Camera

We borrowed space from existing closets and then created new ones to make this plan come together.

In addition to the new bathroom, we completely updated this home for the client with new wall/ceiling texture and paint, new crown molding, base molding, window casing, and flooring throughout.
